Takeaways from the CEO

- ▶ Focusing on people—including the field technicians, citizen developers, and customers—pays significant dividends.
- ▶ Field organizations have a lot in common across industries, and it's important to learn how to use ProntoForms in innovative ways across the board.
- ▶ Staying agile to a changing landscape has never been more critical. It's important to leverage tools that let you stay fluid and adaptable.
- ▶ Technological innovation continues to be central to ProntoForms. The product is ever-evolving in alignment with our customers' needs.

▶ **Alvaro Pombo**
CEO & Founder
